community living

A hundred stories are yet to be narrated.
A thousand moments are yet to be lived.

All in a home, named

RELIANCE
COURTYARD
SHANKARPALLI

Beyond the closed doors and the thresholds,
a hundred stories unfold.

The courtyard is going to get filled
with the sweet noises of childhood.

The windows are going to be wide-open for hours,
sharing the laughs and cries.

Can you hear the knocks on the door?
It's joy, waiting to share the greatest bonds of life.

Open the door.

Live. Laugh. Bond.

A home of togetherness

How far do we live from our people we fondly call 'home'? How often we talk to them, we hold them or we express ourselves to them? Nowadays, being enclosed in a four-wall-apartment, it is difficult to share bonds with people, bonds that matter.

Thus, Reliance Courtyard.

With wide-open courtyards inside the project, it is a perfect home of harmony where everyone can feel like they belong in their own extended family.

Come home to togetherness.

Come home to Reliance Courtyard.

Binding hearts and more

- 1 Tower, G+7 storeys
- Apartments that welcome a lot of light & air
- Airy passageways to help create that precious neighbourly bond
- Wide-open central courtyard at the centre of the project
- Strategically located at the futuristic node of Shankarpalli

Unfold the best courtyard stories of your life

From hearing spontaneous laughter to serious conversations, from watching the kids share the last slices of pizza together to helping them hide behind the wall during hide and seek, from watching the young toddler taking his first steps to watching them grow in the course of time - the courtyard witnesses it all.

Reliance Courtyard is all set to make you revisit the stories of togetherness, which fondly take birth at the wide-open *angans* or long verandas.
